-Every 3rd week We'll Tee off the BACK 9

-(optional) Turn your score card into the Pro Shop if you would like to keep track of your handicap.

-Be on time. If you must be late, let your partner know. Your group can let the next group start if that group is ready or your group should start and you can catch-up when you arrive.

-If you cannot play, find a substitute if possible. Keep you partner informed. As a last resort call the Pro Shop 742-5121. The important thing is let someone know-don't just not show up.

-If the front 9 is backed up. Please clear it with Mark Braska to golf Back 9. And let the other team behind you know so they can start.

GUIDELINES for Play:

-Limit of 9 Strokes per hole-6 on the fairway and 3 Putts. Pick your ball up after 6 on the fairway, then Chip and Putt. Pick up after 9 strokes and move to the next hole. Put down "9" for that hole.

-Be ready when it's your turn.

-Keep track of your ball and try to "spot" for others.

-Replace Divots.

-Don't skip holes or order of Play.

-Use a 2 ½ Hour timeframe for 9 holes.

-Plan placement of carts for moving to the next hole. Drive down the sides of the fairways and do a 90 degree turn to go to your ball.

-Use the bells to notify the team behind you it's safe to hit.

-Be aware of the team ahead of you-Do NOT hit into them.

-Don't spend too much time looking for lost balls!

Policy on Substitutes:

-It is the policy of the Portage Country Club that if the substitute is not a PCC member, and is Subbing in for a member, she must pay the greens fee of \$14.00 to the club. This is paid at the Pro Shop before playing.

Rain checks will be given if you are Rained Out!!
