### List of Events

May 10	<b>2-Person Scramble</b> - You and your teammate vs. your scheduled opponents in a 2-man scramble format - 20 pts. total (2 per hole & 2 for total). Handicaps are figured by using the average of the 2 teammates ( $3+13=16/2=8$ hdcp. or $11+14=25/2=12.5=13$ hdcp.)
June 7	<b>2-Person Shamble</b> - You and your teammate vs. your scheduled opponents. Each player tees off on each hole, then pick best tee shot location for each team and play individually from that spot thru the hole. Normal handicaps used. 20 pts.
July 12	<b>Position Night</b> - Team in 1st place plays team in 2nd place, team in 3rd place plays team in 4th place, etc. Handicaps as normal, worth 20 points. Tee boxes will be assigned after July 6.
August 9	<b>2-Person Alternate Shot - 18 Holes</b> - You and your teammate alternate shots. If Player A tees off on 1st hole, then Player B must tee off on next hole, and so on. Same ball must be used by both on each hole (can change after hole is done or ball is lost). Worth 20 points, handicaps figured in the same manner as the 2-Person Scramble. However, must play the same 9 holes twice (resulting in an 18 hole score). Pace of play goes pretty quickly thus 18 total holes.
Sept. 6	<b>Red - White - Blue Event</b> - Normal play, but what tee you play is based on what your handicap is: 6 and lower from Blue, 7 thru 12 from White, 13 thru 18 from Red. Handicaps only used if playing from the same tee box. Worth 20 points total.

Please note: Our normal starting time will be 5:30 PM, with a shotgun start. Please look to see what hole you are to start on. Due to a loss in daylight as the season goes on, we will have to make our shotgun start a little earlier near the end of the season. Keep an eye out for this announced change later in the year. DUE TO THE NUMBER OF PLAYERS, PLEASE MAKE SURE THAT YOU ARE ON YOUR ASSIGNED TEE BOX AND READY TO PLAY BY THE SCHEDULED SHOTGUN START TEE TIME SO THAT YOU DO NOT HOLD UP ANY OTHER GROUPS. HAVE A GOOD SEASON AND HAVE FUN!
